

FISCAL NOTE

SB 467 - HB 1913

March 3, 2001

SUMMARY OF BILL: Amends the Education Professional Negotiations Act to define *working conditions* of professional employees and allows a liberal interpretation of the term unless the proposed area of bargaining impinges so indirectly upon matters of employment as to require the exclusion of the subject from the area of mandatory bargaining.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumes the bill merely clarifies what *working conditions* are for professional employees of boards of education so that in negotiations using a professional employee organization, all parties are clear as to what these conditions are and if these conditions are not relevant to a particular negotiation, they shall be excluded from mandatory bargaining discussions.
